

Proven to be better.

It's time to rethink your engine oil.

Mobil Delvac™ 1300 Super synthetic blend diesel engine oil delivers outstanding wear protection and performance in both newer and older heavy-duty engines. The advanced oil also meets or exceeds original equipment manufacturer (OEM) requirements.

This carefully tailored API CK-4 formulation can help:

Reduce
downtime

Lower
maintenance
costs

Extend
engine life

An excellent choice.

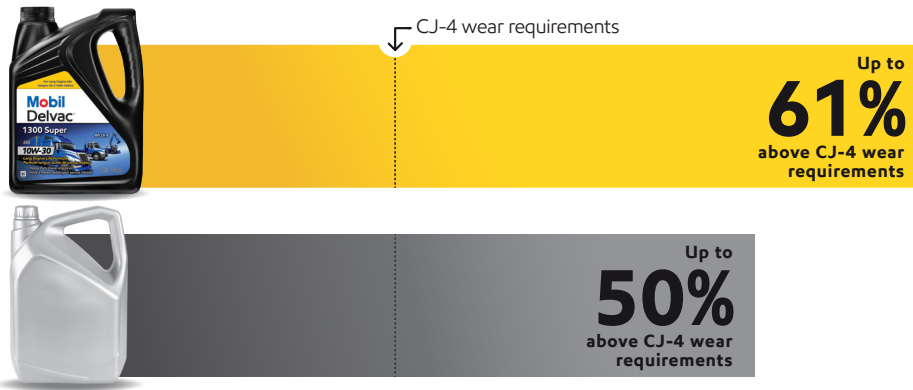

Mobil Delvac 1300 Super is a game-changing synthetic blend engine oil. It's time to put its outstanding wear protection to work for you.

Tested and proven.

Mobil Delvac™

Our 10W-30 beat their 15W-40.

Mobil Delvac 1300 Super 10W-30 vs. Chevron Canada Limited Delo 400 SDE 15W-40

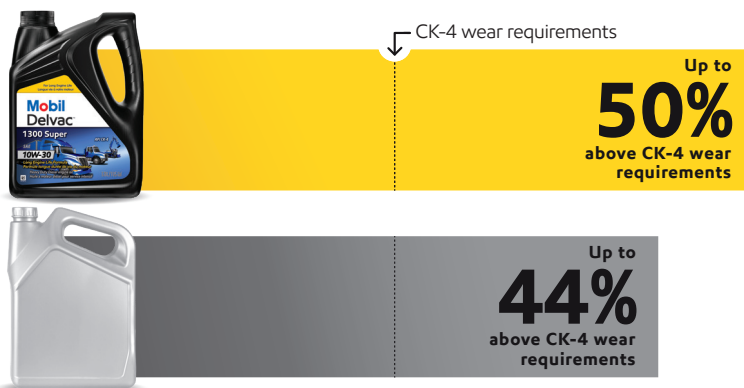

Based on results from Cummins ISM Crosshead Weight Loss, mg compared to API CJ-4 maximum wear level.

Our advances in lubricant technology have enabled significant enhancements in wear protection. Mobil Delvac 1300 Super 10W-30 delivers:

- **More wear protection than this competitor's 15W-40**
- **The fuel economy potential of a 10W-30**

Putting more wear protection in every bottle.

Mobil Delvac 1300 Super vs. Shell Canada Limited Rotella T5

Based on average value from a series of eight API CK-4 industry wear tests.

Why pay more for an engine oil that provides less wear protection?
Mobil Delvac 1300 Super provides:

- **More wear protection than this competitor's synthetic blend**
- **Up to 50% more wear protection than required in API CK-4 engine tests**
